

Invoice Checklist

Review before sending. Tick each item when it has been checked.

☐ **Identity is correct**

Confirm your business name, contact details, customer name and billing address.

☐ **Invoice is easy to identify**

Include a unique invoice number, issue date, job reference and due date.

☐ **Work matches the agreement**

Use clear descriptions and include approved changes or completed milestones.

☐ **Line items are accurate**

Verify quantities, rates and each line total against your records.

☐ **Total and balance reconcile**

Check subtotal, applicable tax, discounts and payments already received.

☐ **Payment instructions are clear**

Include the agreed payment method, reference and instructions.

☐ **Terms match what was agreed**

Use the agreed due date and terms. Resolve any differences before sending.

☐ **Attachments and delivery are ready**

Attach supporting records, verify the recipient and open the finished PDF.

☐ **A copy is saved for follow-up**

Save the sent version and record when to check for payment.
